

Shelley Oglesby— Red Oak Chamber President

Hello my name is Shelley Oglesby and I am very excited to introduce myself to you as your new Red Oak Area Chamber President. Being originally from Texarkana Arkansas, we moved to the Waxahachie area about 20 years ago. I reside in Maypearl with my husband, Eddie Oglesby, who is a Farrier and our son Kenton who is a Senior in High School. I have worked in the Red Oak area for the last 7 years for a local bank which has allowed me to build strong relationships with the Red Oak community. During the first couple of weeks working with the Chamber, it has been wonderful to see just how many of you I already knew. While working for the Bank, I had the opportunity to work behind the scenes for various Chamber events. So while I have never been the Go To Person for the Chamber, I certainly have been the Go To Person in my business experiences. My work experience also included several years working for 2 State Farm Agents. Prior to the business world of work, I made my living training horses, being a Ranch Manager, working on an Exotic Animal Ranch and raising dogs.

As your President I will strive to grow the Chamber and support our local businesses and community. It will be my responsibility to bring new and productive programs and events to our membership.

I am anxious to help the Chamber and our community grow. Being on the I-35 Corridor and being within our proximity of the Metroplex, we cannot help but grow.

I couldn't be more excited about taking the position of President of the Red Oak Area Chamber. With all of your help, we will make a difference in our Chamber and Community. It is not what the Chamber can do for you, it is what we can all do together. The Chamber is here to help you get involved in our Community.
