Luncheon- June 25th

Topic: ***"A great memory doesn't just happen...it's developed! Come experience the life changing benefits of a trained memory!"***

In this thirty minute presentation you will see the techniques demonstrated that can be used to recall important client info and gain the competitive edge needed in today's market!

Speaker's Name: Harold Mangum

Never experience the embarrassment of forgetting a client's name again.

- Productivity, professionalism and sales will soar after achieving the tool of a Trained Memory!!!
- Meet clients and be able to recall their names next time you see them!
- Be able to deliver a presentation or proposal to an individual or an entire group and never reference your notes.
- How impressed are you when someone remembers not only your name but every detail of your last meeting? This is the best way to build repeat business!!!!

Harold Mangum is the president of The Memory Technologies Institute. Harold brings 27 years of training and development experience to the industry. Over the past 17 years, he has conducted workshops at corporations including Entergy, J.C Penney, AT&T, Shell Oil, Johnson & Johnson, 3M, Xerox, Bausch & Lomb, Eastman Kodak, Schlumberger, GTE, Motorola, IBM, Sun Micro Systems, AT&T and many more.

This is one meeting that you definitely want to attend!
