Chamber member Glenn Carter, with Carter and Company Pest Control got to meet with Jared from Subway. Jared Fogle, spokesman for Subway who lost 245 lbs. in one year on the "subway diet," stopped to visit Allen Conley, owner of the Subway on North Cedar Ridge, and Glenn Carter, after filming a commercial nearby. Carter hopes to melt away the pounds using Fogle's method and become Duncanville's biggest loser. Carter intends to lose 100 lbs. before Nov. 1 to raise money for the Duncanville Chamber.

Business After Hours

The March Business After Hours was hosted by Comfort Inn located just off of I35. There were approximately 20 Chamber Members present. Pizza and Subway sandwiches were served.

Members were given the chance to publicize their business through 30 second commercials. The Chamber also gave away a

hand-made wine rack as a door prize. Tom Rogers with Tom Rogers Computer Consultant was lucky winner.

Next BAH at the Greenery on April 3rd.
